COINSSP

Company Profile

CoinSSP

Is a leading quantitative trading firm founded in 2018 in Nevada, USA, focused on achieving superior trading results using advanced technology and world-class expertise. The creation of the company took several years of preparation and tireless work, and in 2015, it began work on the CoinSSP quantitative trading project, a project of great strategic importance.

Major

The team at CoinSSP is comprised of top technologists from around the world who work together to develop innovative quantitative trading strategies and tools to address the ever-changing financial markets. By integrating the latest data analytics, artificial intelligence and machine learning technologies, CoinSSP's team continues to push the boundaries of trading intelligence and optimisation to ensure that our clients are able to achieve the best possible trading results.

VALUES

Excellence

CoinSSP's mission is to provide its clients with exceptional quantitative trading services to help them achieve better financial performance. In three years, the company has not only completed great quantitative trading projects, but has also built a solid reputation for providing reliable trading solutions to its clients. As a dynamic and innovative company, CoinSSP will continue to strive for excellence and further success in the global financial markets.

Development History

2018

The CoinSSP project was successfully researched and immediately began working on an AI smart quantitative trading project with a clear strategic direction for marketing.

The company quickly attracted financial support and built an initial team, including technologists and financial analysts.

2019

CoinSSP continues to delve into quantitative trading strategies, market analysis and model development.

The firm began promoting its quantitative trading services, attracting its first clients and building an initial trading business.

2020

CoinSSP's quantitative trading strategy is further optimised, having undergone several rounds of testing and improvement.

The company continues to expand its client base, is gradually growing its business and may begin to consider expanding its team.

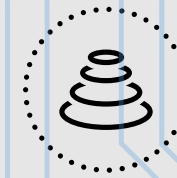

2021

CoinSSP's market share is growing and its reputation is steadily improving, attracting more customers and investors.

The company may further expand its team to meet the growing demand.

2022

CoinSSP has achieved a solid track record in the financial markets and continues to develop and improve its quantitative trading strategies.

The Company may consider further expansion of its business areas to address market opportunities and challenges.

2023

CoinSSP maintains excellence in the field of quantitative trading, going global to continue to attract more clients and investors.

The company is committed to innovation and adapting to the constant changes in the financial markets to ensure its continued success.

Development History

COINSSP

Future Plans

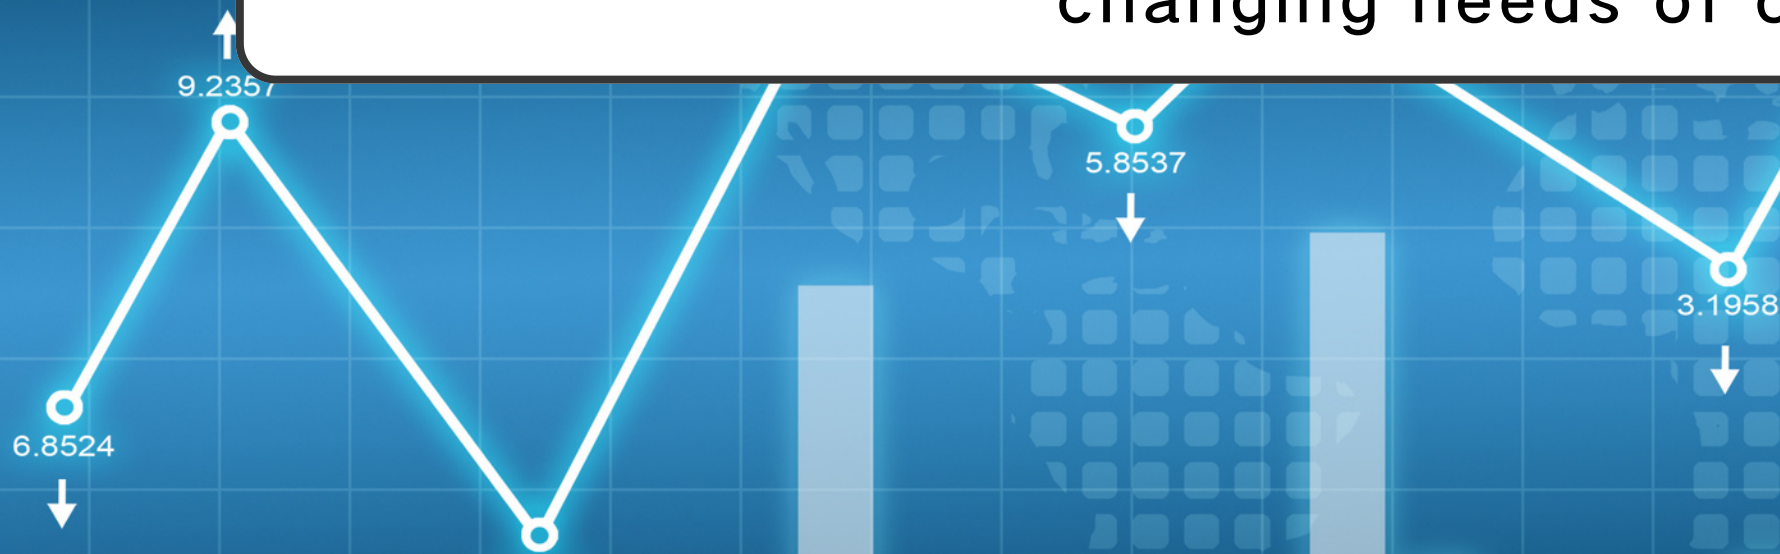

2024

Explore new market segments and transaction types to seek diversified investment opportunities and reduce risk.

Consider expanding the firm's geographic coverage and expanding into international markets for additional opportunities and portfolio diversification.

Enhance the customer experience and strengthen customer support and communication to meet the changing needs of our customers.

Future Plans

2025

Continuously monitor market trends and risks, and flexibly adjust quantitative trading strategies to respond to changing market conditions.

Deepen consideration of environmental, social and governance (ESG) factors to better meet the needs of sustainable investing.

Drive the company's sustainability, including carbon footprint reduction and support for social responsibility programmes.

Future Plans

2026

Continuously strive for excellence and aim to become one of the leading quantitative trading firms in the world.

Explore new technologies and market trends to remain competitive. Expand team and resources to support the firm's continued growth and innovation.

Actively participate in the financial technology (FinTech) and innovation space to pursue new business opportunities.

Core Value

CoinSSP's core values are built on its mission and vision, which reflect the company's commitment to its clients and the marketplace, as well as its strengths in quantitative trading. Below are CoinSSP's core values:

Excellence

CoinSSP is committed to excellence in quantitative trading. We are constantly improving and optimising our strategies and techniques to ensure that we deliver the best trading results for our clients!

Innovativeness

We actively explore new technologies, data analysis methods to remain competitive in the industry. We encourage innovative thinking and seek new business opportunities in the ever-changing financial environment

Customer Oriented

Our clients are at the centre of what we do. We listen to our clients' needs and provide personalised solutions to meet their trading expectations. We build long-term partnerships with our clients, always with their interests at heart.

Degree of credibility

Commitment to the highest standards of ethics and integrity. We comply with strict laws and regulations to protect our clients' assets and privacy. We have built a reputation for conducting business with honesty and transparency

Continual Improvement

We are constantly learning and improving. We look at our performance and seek to improve to ensure we remain competitive in an evolving marketplace. We encourage active participation and continuous learning among our team members

These core values will guide CoinSSP's actions in the field of quantitative trading, helping the company to achieve its mission and provide superior trading services to its clients.

Market Overview

The quantitative trading market is a dynamic area of finance characterised by the use of mathematical models, statistical analysis and computer algorithms to develop and execute trading strategies.

The quantitative trading market represents a modern trend in finance, utilising technology and mathematical methods of trading and evolving to adapt to changes in the market. Despite the challenges and risks associated with the market, it continues to appeal to a wide range of investors and traders as it provides opportunities to improve trading strategies and increase investment returns.

Comply with the law

Registration and Compliance

CoinSSP is registered in applicable jurisdictions and complies with financial regulators. Make sure the company's legal position with respect to compliance is legal.

KYC and AML

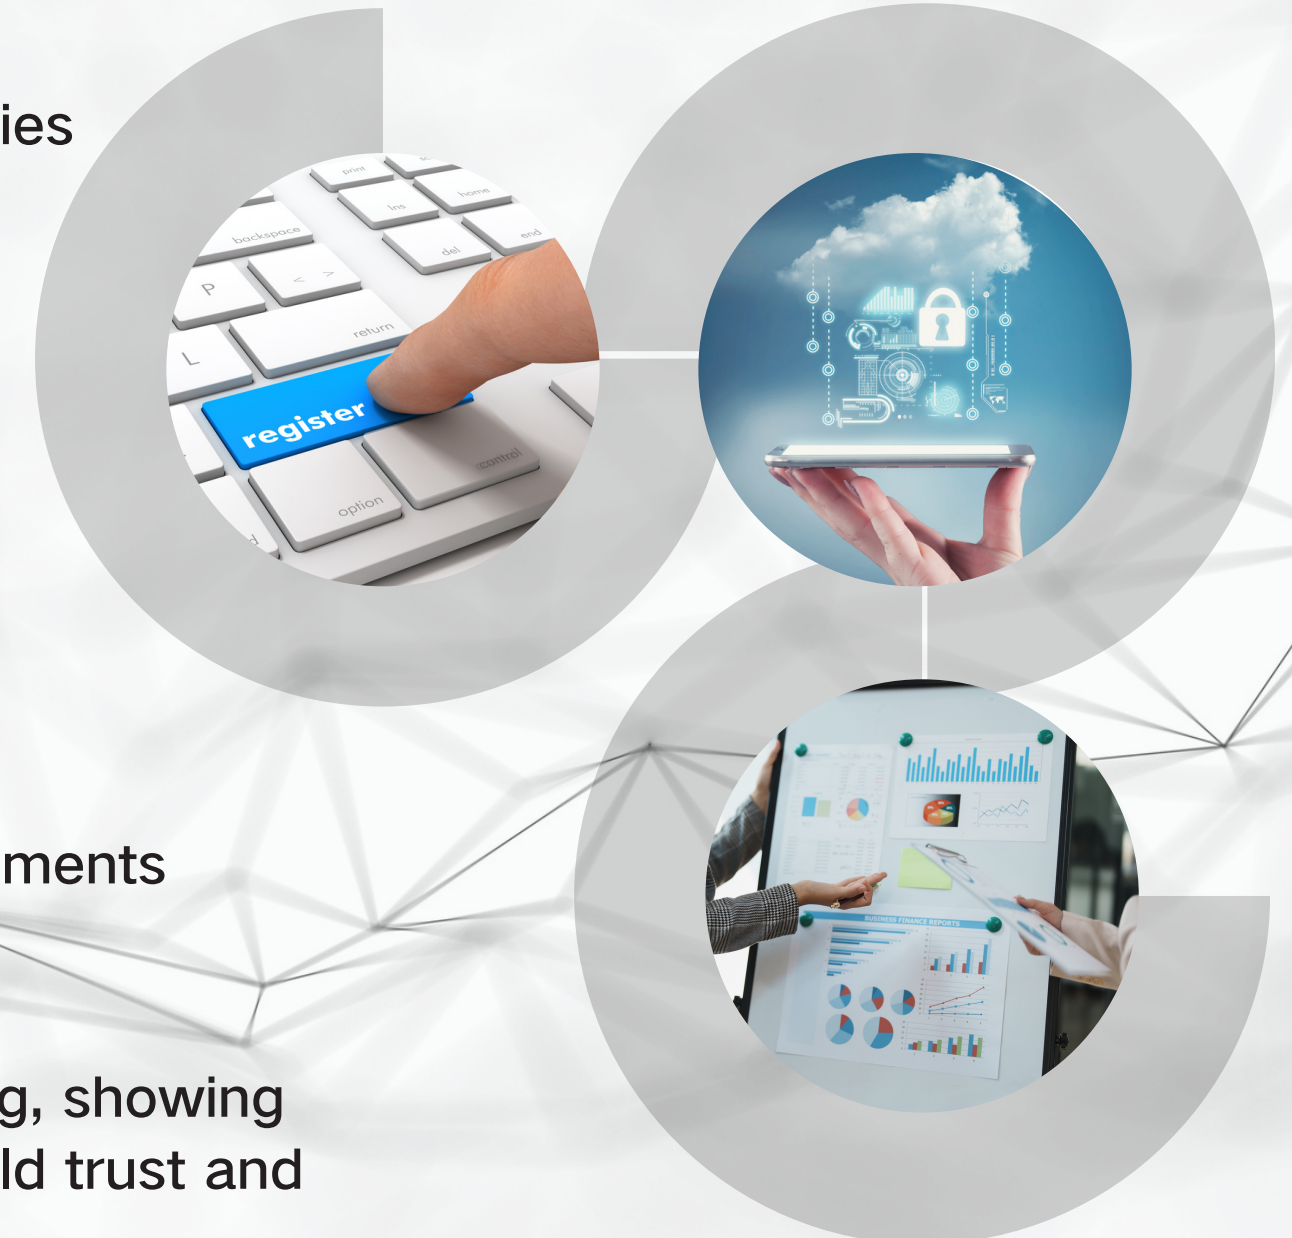

CoinSSP has implemented Know Your Customer (KYC) and Anti-Money Laundering (AML) policies to verify customer identity and monitor unusual transaction activity to minimise the risk of money laundering and fraud.

Contracts and legal advisor

Worked with legal counsel to ensure that the company's contracts and legal documents complied with legal requirements while providing legal advice.

Transparency and reporting

CoinSSP provides transparent transaction and fee reporting, showing trading activity to customers and regulators. This helps build trust and comply with regulatory requirements.

Company Certification

SECRETARY OF STATE

STATE OF NEVADA

NEVADA STATE BUSINESS LICENSE

Andrew White

CoinSSP LLC

Nevada Business Identification # NV20232972569

Expiration Date: 12/31/2024

In accordance with Title 7 of Nevada Revised Statutes, pursuant to proper application duly filed and payment of appropriate prescribed fees, the above named is hereby granted a Nevada State Business License for business activities conducted within the State of Nevada.

Valid until the expiration date listed unless suspended, revoked or cancelled in accordance with the provisions in Nevada Revised Statutes. License is not transferable and is not in lieu of any local business license, permit or registration.

License must be cancelled on or before its expiration date if business activity ceases. Failure to do so will result in late fees or penalties which, by law, cannot be waived.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the Great Seal of State, at my office on 12/08/2023.

FRANCISCO V. AGUILAR
Secretary of State

Certificate Number: B202312084182490
